 Counting agents at counting centres must be appointed by the candidate or any of his election agent. The role of a counting agent is to observe that the counting of votes at the counting centre is carried out in accordance with the law. He must also maintain secrecy of voting at all times.

To enter a counting centre, each counting agent must submit a duly completed *Oath of Secrecy* form (original signed and attested copy) to the election officials at the first counting centre he visits; and the *Appointment of Counting Agent* form for each counting centre that he enters.
