 For polling overseas, every candidate may appoint one polling agent to be present at each overseas polling station. The role of a polling agent is to observe that polling at the overseas polling station is carried out in accordance with the law. He must also maintain secrecy of voting at all times.

You or any of your election agents must submit the full name (as shown in NRIC) and NRIC number of the polling agent appointed at each overseas polling station (if any) to the Returning Officer no later than two clear days before the start of polls at overseas polling stations.

To enter the overseas polling station, the polling agent must submit the duly completed *Oath of Secrecy* form (original signed and attested copy) to the election officials at the overseas polling station he had been appointed at.
