

## Report digitally generated or manipulated Online Election Advertising that misrepresents a candidate

By dd mmm (Nomination Day)

Submit online

Candidates may make a request to the Returning Officer in respect of digitally generated or manipulated Online Election Advertising (OEA).

You will need to make a declaration that this report was made truthfully to the best of your knowledge, information, and belief. It is an illegal practice for a candidate to make a false or misleading declaration in the request to the Returning Officer or to make a request knowing that a material particular of the request is false or misleading.
