 A copy, image, detailed diagram or drawing of each Traditional Election Advertising (TEA) belonging to a candidate/group of candidates, together with the details on published-by requirements, must be lodged with the Returning Officer before they are publicly displayed by or on behalf of the candidate/group of candidates during the campaign period.

You will need to provide all information to the fullest extent possible in the submission. If required, the Returning Officer may contact you to seek clarifications or to request for additional information.

As the public display of TEA constitutes an election activity, candidates and their election agents are reminded that each of their authorised third party must first be in possession of a written authorisation (i.e. [Form 22 Authorisation by Candidate form](#) or [Form 23 Authorisation by Election Agent of Candidate form](#) ) before the authorised third party is allowed to publicly display a TEA.
