

Access map showing 50m poster and banner prohibition zone around polling station & bus sequence for ballot box delivery from polling stations to counting centres module

Access map showing 50m poster and banner prohibition zone around polling station & bus sequence for ballot box delivery from polling stations to counting centres

Opens after close of nomination proceedings

 **By 30 Jun** (Polling Day)

 Download

 Display of posters and banners within a radius of 50 metres from a polling station is prohibited. You can download the maps showing the prohibited zone around polling stations.

Candidates and polling agents may observe the process to transport the sealed ballot boxes from polling stations to counting centres. Buses may be used for the transportation and one bus may serve two polling stations. You can download the sequence of polling stations that the bus serves.
