

PRESS RELEASE

INSPECTION OF LIST OF NON-VOTERS & RESTORATION OF NON-VOTERS' NAMES TO REGISTERS OF ELECTORS

In accordance with Section 43 of the Parliamentary Elections Act, the names of eligible voters who failed to cast their votes (known as non-voters) at the 2020 General Election have been removed from the registers of electors. Non-voters will lose their eligibility to vote or stand as a candidate at future elections if their names are not restored to the registers of electors.

2 The certified list of non-voters is available for inspection at the Elections Department, designated community centres/clubs (see Annex A) or Singapore overseas missions that serve as overseas registration centres (see Annex B).

3 Singaporeans may check their elector status electronically:

- (a) At [Voter Services](#) on the Elections Department (ELD) website;
- (b) At "Profile" in SingPass Mobile app

4 Non-voters at the 2020 General Election or a previous election who wish to vote at future elections may apply to have their names restored to the registers of electors. They are encouraged to apply early as, under the law, we will not be able to restore their names during the period from the date the Writ for an election is issued until after Nomination Day if the election is not contested, or until after Polling Day if a poll is to be taken.

5 However, a non-voter who was, on 10 July 2020, subject to a COVID-19 quarantine order or a requirement to not leave his or her residence (due to a stay-home order) is entitled to have his or her name restored to the relevant register of electors free. They need not apply to restore their names as the Registration Officer will be restoring these automatically. For non-voters who were subject to a medical certificate and required to not leave their place of residence on 10 July 2020, their name will be restored on application without penalty.

6 The list of electors in polling district PN23 of Pasir Ris-Punggol Group Representation Constituency (GRC) who failed to cast their votes will be published later. The list cannot be prepared now because an election official at the Elias Park Primary School Counting Centre inadvertently placed the copy of the register of electors for the polling district PN23 of the electoral division of Pasir Ris-Punggol indicating the electors of that polling district who attended to cast their votes on Polling Day, together with the counted ballot papers and other documents into the ballot box which was sealed and is now kept in the Supreme Court vault.

7 In accordance with the Parliamentary Elections Act, all the sealed boxes containing counted ballot papers and other documents relating to the general election must be kept in safe custody pending destruction at the end of 6 months after the poll (i.e. from 10 January 2021). During the 6-month period, only a Judge of the High Court can order the sealed boxes to be opened and their contents inspected, and even then, it can only be for the purpose of instituting or maintaining a prosecution or an

application to invalidate an election. At the end of the 6 months after the poll, the contents of the ballot boxes must all be destroyed unless otherwise directed by Order of the President.

8 The President has by Order directed the Returning Officer to retrieve, on or after 10 January 2021 but before the ballot boxes have to be destroyed, only the copy of the register of electors for polling district PN23 of Pasir Ris-Punggol GRC which was accidentally sealed for the purpose of preparing the list of electors in this polling district who failed to vote at General Election 2020. The President has also directed that the copy of the register of electors for PN23 be destroyed by the Returning Officer not later than 30 days from the date of their retrieval.

9 The list of non-voters in polling district PN23 of Pasir Ris-Punggol GRC will thereafter be published for inspection after 10 January 2021. Electors in this polling district can then apply in the same manner to have their names restored to the register of electors.
