

## **PRESS RELEASE**

### **QUEUES IN POLLING STATIONS**

ELD has observed longer than usual queues in some Polling Stations this morning after polls were opened at 8 am. This is partly due to the additional safety measures put in place to ensure safe voting.

2. The voting time-bands from 8 am to 12 noon are reserved for senior voters aged 65 years and above to minimise their interaction with younger voters.
3. ELD urges younger voters, who are not accompanying any seniors, to keep to their assigned voting time-bands after 12 noon.
4. We strongly encourage voters to check the queue situation at their assigned polling stations (<http://VoteQ.gowhere.gov.sg>) before setting off to vote.
